

Constitution of the Developer Club at the University of Cincinnati

Article I – Name

The name of the club shall be Developer Club.

Article II – Purpose

The purpose of the Developer Club is to give students a collaborative, skill enhancing, and helpful outlet of their skills through software based projects.

Article III – Membership

3.1

There shall be three (3) classes of members: voting members, nonvoting members, and honorary members.

3.1.1

Voting membership shall be open to any full-time or part-time undergraduate or graduate students, enrolled in any of the colleges, schools, or divisions of the University at the time of applying for membership. The body of voting members is to be named the voting body. Upon graduation or other cessation of enrollment to the University, a member of the voting body shall be stripped of their voting membership.

3.1.2

Nonvoting membership shall be open to any student and any member of the University faculty, community or administrative staff.

3.1.3

Honorary membership shall be open to any desiring person, elected to such membership by a majority of the voting body.

3.2

There shall be no limit to the size of the membership body of the Dev Club.

Article IV – Officers

4.3

The Officers of the Student Organization shall be President, Vice President, Treasurer, Outreach Chair, Event Chair, and Social Media Chair. Together, these Officers shall make up the Executive Board.

4.4

Holders of officer positions shall be elected annually by the voting body. No Officer shall hold a specific officer position for more than one term. No Officer shall hold more than one officer position in a single term.

4.5

The President shall be the Primary Officer of the Registered Student Organization, and shall preside over all meetings of Developer Club.

4.5.1

A member of the voting body can only be elected to the position of President if they have previously served as an Officer of Developer Club, or if they have run for the seat of President in at least two prior elections of Developer Club. If these criteria are not met by any members of the club willing to pursue the presidential seat, any member of the voting body may be elected to the seat of President.

4.6

An Officer must be matriculated student and be in good standing with their college. Officers who do not meet eligibility requirements must relinquish their position immediately upon notification from the University that they do not meet the eligibility requirements. Ineligible officers will be replaced according to this Constitution.

4.7

An officer may be removed from their seat through a vote of 80% of all officers and 50% of the voting body that is present at a given Student Organization meeting, or 60% of all officers and two thirds ($\frac{2}{3}$) of the voting body that is present at a given Student Organization meeting. A vote to remove a particular officer from their seat may only be held once per term.

4.7.1

Upon the removal of an Officer, a Special Election shall be held to find a replacement. At least one week of notice must be given to the voting body prior to the Special Election being held. This replacement shall serve as the removed Officer's replacement until the next election. The replacement's service shall not be counted as a full term unless their time spent serving as a replacement to the removed Officer exceeds 20 weeks.

Article V – Meetings

5.8

Student Organization meetings shall occur every Monday and Wednesday during the Fall and Spring undergraduate semesters of the University, except for holidays and other dates decided by the Executive Board.

Article VI – University Advisor

The Advisor for Developer Club must be a member of the University staff or faculty.

Article VII – Dissolution

The club can be dissolved through the unanimous vote of all club officers, as well as a unanimous, except for a maximum number of members that is one less than the number of officer positions as defined by this Constitution, vote by the voting body. In the event of dissolution, funds shall be transferred to an organization with a similar goal, and all essential investments must be returned to the Center for Student Involvement. The Advisor and the Executive Board shall oversee the dissolution process.

Article VIII – Amendments

8.9

Amendments to this constitution may be proposed by any member of the voting body.

8.9.1

Following the proposal of an amendment, a six day waiting period shall begin, and notice of the proposed amendment must be given to the voting body within this waiting period. Proposed amendments shall be voted upon by members of the voting body in the next Student Organization meeting to occur after the waiting period has expired.

8.10

Amendments may be ratified through a simple majority vote of the voting body in conjunction with a $\frac{2}{3}$ affirmative vote by the club officers, through a $\frac{5}{8}$ affirmative vote of present members of the voting body in conjunction with the agreement of one officer, or through a $\frac{2}{3}$ affirmative vote of the present members of the voting body.

Article IX – Ratification

9.11

A supermajority vote of $\frac{2}{3}$ of the voting body shall be sufficient for the ratification of this constitution, with approval of the appropriate governing board.

Developer Club Bylaws

Section 1 Officer Duties

Section 1.1 President

The President shall be responsible for establishing the annual goals and path of the club, in accordance with the club's mission. Included is the responsibility of ensuring the Executive Board is functioning efficiently and as expected. The president must maintain a Grade Point Average of at least 2.75.

Section 1.2 Vice President

The Vice President shall preside over all Student Organization meetings in the absence of the President. The Vice President shall also aid other members of the Executive Board. The Vice President shall keep the records of membership and the minutes of meetings of the Developer Club and the Executive Board. Included is the responsibility of ensuring the project leads are managing their projects appropriately.

Section 1.3 Treasurer

The Treasurer shall be responsible for the creation of reports to be shared at the behest of the President or the Executive Board, and shall be responsible for the creation and maintenance of a budget. The Treasurer shall have final approval of all Student Organization expenditures. The Treasurer shall sign all checks in payment of bills. Included is the responsibility of having knowledge of the club's governing documents.

Section 1.3.1

In the absence of the President and Vice President, the Treasurer shall preside at all meetings of Developer Club.

Section 1.3.2

The Treasurer shall be responsible for educating their successor on the obligations and responsibility of the Treasurer position.

Section 1.3.3

The Treasurer must abide by all Policies and Guidelines set by their respective Funding Board (Undergraduate Funding Board, Graduate Student Association, Medical Student Association, or Student Bar Association).

Section 1.3.4

The Treasurer must keep accounts and records which, at all times, must be open to inspection by the Executive Board or any authorized auditor.

Section 1.4 Outreach Chair

The Outreach Chair shall be responsible for establishing and maintaining partnerships with entities in the community. The aforementioned community includes the University of Cincinnati, local businesses and organizations, and software/hardware/design oriented groups.

Section 1.5 Event Chair

The Event Chair shall be responsible for planning club wide events and occasions.

Section 1.6 Social Media Chair

The Social Media Chair shall be responsible for creating and maintaining official social media channels for the Developer Club.

Section 2 University Advisor

The University Advisor shall consult with the Developer Club and ensure that its activities are consistent with the purpose established by this Constitution. The University Advisor shall meet with the Executive Board at least twice a semester.

Section 3 Project Teams

There shall be a number of Project Slots, defined by the Executive Board, with each Project Slot being occupied by a Project Team and its respective Project. When a Project Slot opens up, a Student Organization meeting shall be designated a Project Goal Meeting. Any member who is not already a Project Lead may give a Project Pitch at a Project Goal Meeting, proposing a project that they would like to see adopted as a project of the Developer Club. All proposed projects must have a software element. The collection of Project Pitches for projects to fill a Project Slot shall be known as a Pitching Round. Following the conclusion of a Pitching Round, members of the voting

body shall vote for the project that the Developer Club shall adopt, with the winning Project taking up a single Project Slot. The member who gave the Project Pitch of the chosen Project shall become Project Lead, or may appoint another consenting member to be Project Lead in their stead.

Section 3.1

The Project Lead shall be responsible for organizing and leading the progress of their respective Project. They shall be responsible for delivering reports at the request of the Executive Board, specifically the Vice President.

Section 3.2

The Project Lead may designate a fellow Project Team member as Project Lead in their absence.

Section 3.3

The President shall have the power to veto any projects, with the exception that they shall be required to accept at least one project per pitching round. The President has the power to bar a Project Pitch from being made.

Section 3.4

A Project Pitch shall be made for a proposed Project, regardless of the number of other proposals made in the same Pitching Round.

Section 3.5

The requirements for a Project's retirement are to be decided through a joint decision made by the members of the project team and the President, or through the members of the project team and an Officer of the President's choosing.

Section 4 Amendments of Bylaws

Amendments to the Bylaws of Developer Club may be proposed by any member of the nonvoting body or voting body. Following the proposal of an amendment, a six day waiting period shall begin, and notice of the proposed amendment must be given to the voting body within this waiting period. Proposed amendments shall be voted upon by members of the voting body in the next Student Organization meeting to occur after the waiting period has expired.

Section 5 Non-Hazing and Anti-Discrimination Clause

Section 5.1

The laws of the State of Ohio and the policies of the University concerning hazing shall be observed.

Section 5.2

The Developer Club and its members will not engage in hazing. “Hazing” means doing any act or coercing another, including the victim, to do any act of initiation into any student or other organization or any act to continue or reinstate membership in or affiliation with any student or other organization that causes or creates a substantial risk of causing mental or physical harm to any person, including coercing another to consume alcohol or a drug of abuse, as defined in section 3719.011 of the Revised Code.

Section 5.3

The University prohibits discrimination and harassment in any of its activities, programs, admissions, or employment on the basis of age, ancestry, color, disability, gender identity and/or expression, genetic information, military status (including veteran status), national origin (including shared ancestry or ethnic characteristics), parental status (including status as a nursing mother and status as a foster parent), pregnancy, race, religion, sex, sexual orientation, or any other status protected by law (each a “protected class”).
